Authorization to Drive University-Owned Vehicles

If you will be driving a University vehicle you are required to review this information in its entirety. This must be completed in order to be authorized to operate University-owned vehicles.

After reviewing this information, you must submit the **Driver Authorization Form** located on the Motor Pool website. Once processed, you will be notified via email of your approved status.

Vehicle Policy

The purpose of WCU's Vehicle Policy is to establish guidelines regarding the use of University-owned vehicles to ensure WCU is compliant with the Commonwealth of Pennsylvania's code for the Operation of Commonwealth Motor Vehicles. To mitigate risks with insurance and liability, guidelines include authorized drivers, appropriate use of vehicles, driving rules, and accident and damage reporting.

Failure to comply with any aspect of the Vehicle Policy could invalidate the University's insurance coverage and may have financial consequences. This may include the driver being held legally liable to pay any damages suffered by the injured parties, including damages to vehicles or other property.

WCU Driving **Policy Definitions**

Residential Roads

University Vehicles must avoid driving in residential areas around Campus.

West Goshen Township has approached the University several times about the large amount of University traffic that drives through the suburban residential neighborhoods that surround the WCU campus. This additional traffic is very upsetting to the residents of these neighborhoods and has become a safety concern. WCU has been asked to curtail all vehicular traffic by staff, faculty, students, vendors, and visitors through these neighborhoods. WCU has committed to stopping the traffic by University vehicles and the commercial vendors that supply us in an effort to help improve our relationship with our neighbors.

This map shows the streets of most concern in West Goshen Township
