Bio: Barrett is the current Associate Director of Student Activities at West Chester University of Pennsylvania. In this position he provides leadership to the Student Activities area within the Sykes Union and Student Activities department. This includes overseeing the RISE student development program, chairing the Homecoming Committee, and supervising the other Activities professionals in the office. Barrett originally hails from Louisiana where he attended Centenary College of Louisiana. After graduation, Barrett moved to Connecticut to attend Central Connecticut State University. There, he achieved his master's degree in Counseling with a focus on Student Development in Higher Education, and also held internships in both student activities and student union operations. Barrett started at WCU as the Coordinator of Student Activities and advised the University's programming board, the Student Activities Council (SAC). Barrett is a certified Mental Health First Aid facilitator and trainer and is an aspiring novelist.
