Student ID/Name: _____

Student Professional Focus: _____

Note: The purpose of meeting with your advisor is to receive guidance on your academic choices. Your advisor can help you select courses that will serve your professional path. Your advisor can help you navigate the WCU and COM systems and point you toward resources. Your advisor cannot enroll you in classes. You should meet with your advisor at least once per academic year – although more meetings will allow your advisor to set you up with better resources and contribute to you having your best WCU experience.

LAST REVISION: February 2023

- 120 is the min number of credits required for graduation regardless of requirements completed
- At least 30 of the last 60 credits must be earned at WCU (except for elective courses)
