

MADRID

SPAIN

Spain's booming capital offers students a deep history and rich culture, full of world class museums, stunning architecture and green spaces, and gastronomical delights.

Spanish and
Healthcare in
Madrid

MAY 17 -
JUNE 28, 2026

THE MADRID EXPERIENCE

Immerse yourself in Spanish language and culture through coursework, integrated fieldwork, study trips, Spanish cultural activities, and more over this six-week summer program!

ACADEMIC COURSEWORK

- Designed for students with a beginner to advanced level of Spanish, Spanish for Health Professionals reviews vocabulary and grammar within a health humanities perspective and current health topics.
- Enroll in an additional 3-credit course from the ACM-IAU summer catalogue.

HOUSING & MEALS

- Live like a local while experiencing Spanish family life in a homestay.
- Enjoy daily breakfast and six dinners a week with your host as well as weekly laundry.
- Improve your Spanish and build connections with your host!

ACTIVITIES & EXCURSIONS

- City walking tour
- Local cultural activities
- Visits to local health-focused organizations, clinics and/or hospitals
- Guest lectures from local health professionals
- Day trip to surrounding Madrid region
- Flamenco show
